

Contact Preferences

Animal Allergy and Dermatology Specialists is excited to announce that we now have two-way text messaging capability. We are now also able to send you (most) of your pet's diagnostic results via text directly through the laboratory! We hope these new features make confirming your appointments, sending updates, and understanding your pet's lab work a little easier and more convenient for you.

Client name: _____ Pet name: _____

Please SELECT ONE of the following options as your primary method of contact:

APPOINTMENT REMINDERS:

Phone call, phone number: _____

Text message, phone number: _____

Email, email address: _____

Would you like to have your pet's lab work results and doctors review sent to you via text message? Keep in mind: these messages will be sent through the laboratory, so we will not receive any replies to these messages. However, you are able to call or text our main line directly with any questions you may have!

Yes! **No**, please call me to discuss.

If yes, what phone number would you like us to use? _____
