

## We Are Enrolling Dogs in a Clinical Study for the Treatment of Allergic Dermatitis.

We are looking for **dogs** to enroll in our clinical study investigating a new treatment for the clinical signs of **Allergic Dermatitis**! Enrollment begins in December.

The study has **2** mandatory clinic visits. Dogs must be exhibiting clinical signs of **Allergic Dermatitis**. All costs related to the study will be offered at no cost to you, including exams, labwork and the study product.

If certain medications need to be discontinued for your dog to be enrolled in the study, you may be eligible for Petcare rewards points, which can be used at any veterinary clinic or donated to charity!

To get in touch or refer a case, give us a call at 702-243-1885.

Visit this info page to learn more about eligibility requirements:
